突然テキーラオーバーに今日のランについてレポートしてくれと言われ、しかも日本語で?! タコベル...うふふ今日は誕生日プレゼントのレッドドレスを買ってカントリーバンブキンに着せるのが楽しみ...。今日はオックリーにある、初めて私達がサリーハッシュに参加した時に行ったパブの駐車場がスタートでした。パブの向かいの風景が思い起こしてくれました。それは5月だったので、木々に白い花が咲き、黄色のお花畑の中に古い家がならび、絵本を開いたような美しい風景に酔いしれたのを思い出します。あれから2年半ほどになります。

Got that all OK?

Well, for my money, it was an excellent run! COLD BEER, plenty of it - Budgen's 2 litre bottles - 3.4% quite tasty and a few Ruddles for emergencies!

Oh the run! - AAaargh - just over the 2 hours on the hottest day .. EVER.

The hares: "We started at 10:15 were back by 11:30" - "Bollocks!" even that pair of Front Running Bastards can't get round 7 miles that quick!

With Supa - he ex of the constabulary persuasion - therefore of doubtful parentage, and Dissa - who does (d-appear that is), starting a run within sight of Leith hill and not taking us up

家族のように温かいサリーハッシュのメンバーと美しいイギリスの風景に出会える機会は私達にとって何物にも変えがたい宝物になりました。少しずつ英語にも慣れ、皆さんと会話が出来ようになりました。そしてかわいい羊達を間近に見ることが出来て大満足。しかもゴールした後のビールが冷えて美味しかった。ダウンダウンでは暑さでダウンしたシャガーに代わり、ボンバグルがヘアー、バージン、ビジターズを紹介し、続いてジバーがシナーズを紹介した後、シャガーがカントリーバンブキンを前に呼び出し、レッドドレスを着せる事に成功。ジャストフィットしていました。オンオン! タコベル

ランにもかかわらず、パックは始めから最後までまとまり、麦畑、涼しい森の中、広々とした平原、大好物の野イチゴ、プール付きの美しい家(サリーハッシュの本部にしたい)、そしてかわいい羊達を間近に見ることが出来て大満足。しかもゴールした後のビールが冷えて美味しかった。ダウンダウンでは暑さでダウンしたシャガーに代わり、ボンバグルがヘアー、バージン、ビジターズを紹介し、続いてジバーがシナーズを紹介した後、シャガーがカントリーバンブキンを前に呼び出し、レッドドレスを着せる事に成功。ジャストフィットしていました。オンオン! タコベル

On On - Tako and Country Bs

anything more steep than a roadside verge is indeed impressive, but despite improbable flatness the run was surprisingly interesting and varied. A couple of straight on checks gave way to a real Hash Turning Back Check, and this set the pattern - a couple of simples followed by a bastard which mostly had the desired effect.

There were constant groans of "Still going out!" at 12:45 and then again at 13:15! Predictions from GPSers that a figure of eight was on the cards didn't come to pass - did it? - maybe it did but it floated past me.

The GM suddenly appeared at the "real back check", trying

to convince J-Arthur and I that there were no paths back along the trail for miles, but lo and behold there was the trail and really not that far from a VERY obvious back check contender that everyone (me included) ignored as ridiculous!

The best site I saw all day was the On-In at 13:10, closely followed by that COLD BEER!

With the GM sitting down suffering from lack of alcohol (I assume) Bonn B did pre-hares, hares and visitors: White Fang - Milan, Kiwi Fruit - Rome, Tight Wad - Japan? "Richard" - CL's nephew and Me for doing what only women can do - two things at once - but during her circle!

Gibber took taking on Arfur Pint's absence with enthusiasm, and grew tits for the occasion, giving out the excellent COLD BEER to all sorts: Chuderos for un-harriette like behaviour (belching unseemly) Short An - this week's GPS victim, Country Bumpkin for mis-information, Tako Belle for ? Me for running in pre-historic sandels - COLD BEER! The GM revived enough to give Country Bumpkin his birthday present from "the Wife".. a Red Dress! Hmmm.

OnOn (COLD BEER)
Tequil'over

H3 Ski-pedition 2004 Chalet Alber, St Anton Sunday 18th January 2004

St Anton is the capital of the best ski area in Austria, the Alberg. It has a good snow record and combined with St Christoph, Stuben, Lech and Zurs offers 320 kms of piste.

Last 4 places must be sold or released by the end of August.

£ 530.00 per person
(catered chalet-half board, flights, ski carriage and ski hosting)

For more details, please contact:
